## **From the Desk of the Editor-in-Chief**

We hope that the scientific community would welcome the Journal of Patna Science College. We express our gratitude to the authors for submitting their papers for the publication in this issue of the Journal. It is expected that this Journal would provide a good opportunity to teachers and research workers to publish their papers. The publication will help generate a better research environment on the campus.

Opinions expressed in the Journal are not those of the editors or the College/University but of individual contributors. No part of this volume may be reproduced in any manner without the written permission of the Principal, Patna Science College, Patna.
